niklas.a.lindroos@aalto.fi
Born 14.10.1991, Tammisaari
Driver's license: ABC

Education & Certifications

09/2010- **Bachelor of Science** (Tech.) student (171/180 credits), Aalto University, School of Science 2010 -
Degree program: Computer Science and Engineering
Major subject: Data Communications Software
Minor subject: Industrial Engineering and Management
05/2010 Student, Tammisaaren lukio
12/2013 Certified Scrum Master (CSM)

Work experience

05-09/2013 **Digita Networks Oy**
As a Network Supervisor at the Network Management Centre in Helsinki I worked as a member of a team supervising Digita's services, including the entire terrestrial television network in Finland. Starting and co-ordinating the fault repair process was part of my job. The work also included configuration of program transmissions for several customers.

06-08/2012 **Karjaan Puhelin Oy Ab**
As a trainee in the technical department of Karjaan Puhelin I installed optical fibre connections in both housing companies and in detached houses. Troubleshooting was part of my work. I also configured opto- and copper based terminal equipment.

06-06/2010 **Raaseporin seurakuntayhtymä, Summer 2010, Summer 2009**
06-08/2009 I did outdoor gardening work at the cemeteries in Tammisaari. The work consisted of planting, leaf blowing, lawn mowing and some reparation and maintenance of small machines.

IT-skills

Operating systems: Windows good, Linux good, OS X basics
Programming: Python good, C basics, Scala basics, HTML basics, JavaScript basics

Language skills

Finnish: Native language
Swedish: Native language
English: Excellent
German: Conversant

Military service

I completed my military service in Dragsvik's Marine Company during 10.01.2011 – 08.07.2011.

Military degree: jaeger

Hobbies

I actively train at the gym. I also enjoy cross-country skiing and windsurfing and I have played football for 9 years as a junior. I am interested in music. My main instrument is the clarinet, but I also play some guitar and piano.
